

SOLO STAGE PLOT

PRAYZVIBES · vocals · acoustic guitar · foot percussion

VENUE ADVANCE

Minimum practical conditions

- Clear, stable performance area; ideally 2 × 2 m.
- Weather protection for outdoor shows.
- 230 V Schuko within 3 m unless battery mode is agreed.
- PA, monitoring and signal routing confirmed during advance.
- Shorter or self-contained formats available by arrangement.

IMPORTANT

This plot defines positions and space, not equipment ownership or a fixed channel count. The exact microphone, DI / line routing, PA and monitoring requirements are confirmed with the venue before each show.
